## OUR GROUPS

### Anti-Illegal Trade Committee\*

- Works to reduce the impact on Costa Rica from various forms of illegal trade.
- Fosters spaces for analysis, public discussion, and coordinated actions, in order to combat smuggling and other unfair trade practices.

*\* Exclusive to companies directly affected by illegal trade. Requires prior Committee approval.*

## Legal Affairs Committee\*

- Monitors legal aspects and analyzes bills that may impact our members' business and investments.
- Provides specialized legal advice on topics of interest.

*\*Exclusive to representatives with a managerial profile. Limited to one per company.*

## Trade & FDI Committee

- Analyzes Costa Rica's foreign trade policy, as well as its impact on members' business development, in creating positions and action strategies.
- Updates on aspects relevant to international trade, as well as exchanges on experiences and best practices between our member companies.

## Fiscal Policy Committee

- Monitors and analyzes bills related to fiscal and tax issues.
- Creates spaces for analysis of and discussion on tax and financial news that affect our member companies.

## Health Committee

- Drives access to innovative, patient-focused healthcare solutions and economic reactivation.

## Economy & Finance Forum

- Provides an analysis of and interpretation on both the national and international economic and financial panorama.
- Creates spaces for the discussion and analysis of macroeconomic policies: fluctuations in exchange rates, inflation, interest rates, taxes, trade policies, and international markets.

## Factor D Forum

- Encourages management policies on diversity, equity, and non-discrimination at member companies.
- Shares good business practices, according to the latest market trends.

## Corporate Social Responsibility Forum

- Seeks to enrich training efforts at member companies, based on the latest techniques and trends in social responsibility.
- Constitutes a platform to share best practices and build new alliances.

## Human Talent & Labor Legislation Forum

- Creates spaces for staying up-to-date and analyzing the latest trends in human resources management.
- Shares best business practices, in accordance with talent management, human resources, and labor law.
